Dear Blood Donor, 'Thank You' for donating blood.

Non-reactive means that you have no detectable traces of virus/bacteria/parasite in your blood.  
Congratulations !

Each time you donate blood at Prathama, you save up to 4 lives. This is possible because, Prathama makes 100% of blood components to save more number of lives from each unit of donated blood. As blood is always under short supply we request you to donate regularly at Prathama. Besides, you also feel better than the rest as you have contributed for a very good cause. Nothing could be better than "Saving a Life".

If you need any assistance please feel free to mail at [donorcare@prathama.org](mailto:donorcare@prathama.org) or call +91 9879608641-42 between 9:00 AM to 5:30 PM.
